

Pre-Printed Inserts

As a paid circulation newspaper, The Fayette County Record provides effective and economical distribution of pre-printed inserts to a readership that welcomes the product into the home. Postcards cost 29 cents each (\$290 per thousand) for postage alone. Standard "bulk rate" postage costs \$304 per thousand and even with "saturation delivery" discounts, it costs at least \$142 per thousand, not counting addressing and preparation costs. Inserts distributed through The Fayette County Record are far less expensive than mailing them any other way.

Advertisers also may purchase "less than full run" for pre-printed inserts. Advertiser may specify ZIP codes. Charge is \$125 per thousand, with a minimum of 1,000 copies. All inserts must be labeled to The Fayette County Record and delivered to The Bryan/College Station Eagle, 1729 Briar Crest, Bryan, TX, 77802 two weeks prior to publication (delivery) date. Because our postage costs are based on weight, we must charge more for larger inserts.
